

TEACHER'S DAY CELEBRATION

Teacher's day is an occasion where the students take the centre-stage and unlock their hidden talents to mesmerize their teachers. The students of GGGDC took this opportunity to celebrate Teacher's Day in the College Auditorium on 5th September, 2016. The programme started with the inaugural note from the Officer-in-Charge and homage was paid to Dr. Sarvapalli Radhakrishnan. Subsequently the students showcased their talents through dance, recitation and songs. Their indomitable spirit also led the teachers to join them. It was truly a wonderful time that the teachers had experienced the breath -taking performance of their dear students. The programme ended ceremoniously with a beautiful cake.
