# Report on Career Guidance Session by Government Exam Wallah Team September 20, 2024

Career Counselling and Placement Cell in collaboration with IQAC organized a career guidance lecture on September 20, 2024. A team from Government Exam Wallah spoke on the preparations that students need to take for the various competitive examinations that will lead them to a job in public sector. They discussed quick ways of doing complicated mathematical calculations, thereby saving precious time during examinations. They mentioned some tricks and asked students to do calculations in seconds that would have otherwise required a calculator or substantial time. They also discussed some easy ways of remembering dates in history. The talk had a very lengthy interactive session. The eagerness of the students made the team promise to conduct one monthly class at the college. They also added that students of the college can enrol themselves at discounted rates in Exam Wallah institutes. The talk was attended by 3 guests, 4 teachers and 96 students.
