Education has been considered as a key instrument for social change and progression. The present decade is marked by an increasing awareness of the necessity of women's empowerment, for it plays an important role in the development of a country. Higher education for women has become a policy agenda for many developing nations including India. Government of West Bengal has also taken various steps to enhance women's position by means of education. Establishment of this Government College for Girls at Ekbalpur, Kolkata, is a part of this endeavour. The college is directed to spread and improve the quality of education among all sections of women in the society. In other words, this college visualizes the academic and intellectual development, moral uplift, social commitment, cultural refinement of the upcoming generation. Our vision is:

- To cultivate quality and excellence in education.
- To boost scientific and technological temperament.
- To organize Seminars and Workshops for cultivation of knowledge, skills and discipline among the students.
- To ensure overall personality development of the students through extracurricular activities.
- To provide opportunities for improvement of girls from educationally and economically marginalized section of the society.

The college began its academic journey on 28th January 2016 with thirteen departments. The academic session started with one hundred and fifteen students in both Arts and Science streams. Commerce, as a General course was introduced in 2017 and as Honours course in 2018. Now the college is able to meet multifarious academic demands of students as it offers courses in all three faculties.

To create awareness, conviction and commitment among the students towards social and moral values, the college arranges for compulsory Value Education classes where lectures are delivered by eminent personalities from various fields. For enhancing students in different field, various programs are being organised throughout the year by the college. For the benefit of the students, a diploma course is launched in collaboration with Webel Informatics Ltd. (a Govt. of West Bengal undertaking)

The college provides scope to its students to put forward their views, positive and negative, through Grievance Cell and Anti-Ragging cell. The Psychological Counselling Cell looks into the problems faced by the students. Being a girl's college a Sexual Harassment Cell and ICC have also been set up within the campus.

In all three faculties of Science, Arts and Commerce, a large number of meritorious students take

admission and many of them fare very well in the university examination. Principal's Medal is awarded to "The Best Student of the Year". A Memento is awarded by Dr. Syed Shah Marhoonul Irshad Alquadri, in memory of his revered father His Holiness Hazrat Syed Shah Rashad Ali Alquadri for obtaining Highest Marks in C.U Part-I Examination. Late Bhupendranath Sen Memorial award goes to the students of Bengali Honours securing highest marks in Part-1, Part-II and Part III C.U Examination. The students are awarded with certificates and medals for their achievements in cultural fields and athletic prowess also. Certificates are given to the regular participants of the value education classes.

College takes initiative to process different kind of scholarships including minorities' scholarship and Kanyashri Prakalpa announced by the Hon'able Chief Minister of West Bengal.

On behalf of all faculty members and members of non-teaching staff, I welcome all aspiring students to participate in our mission within supportive, peaceful and disciplined environment.

About the College

If today I get back with you, our conservative grandmothers will say to other women rebelling against gender injustices, 'Look, even a rebel like Zainab has also surrendered'. I don't believe that only married life can be the ultimate success for women.

Rokeya Sakhawat Hossain

The establishment of Government Girls' General Degree College marks a positive and progressive initiative towards facilitating higher education for women in West Bengal. This college is the fourth Government College for girls in the district. Due to its proximity to National Library, Calcutta University Alipur-Campus, and other major locations of southern part of Kolkata, the college is favourably accessible to a large section of students interested in higher education. Incidentally, the college was established after a decade long pressing demand for a Women's college in the locality. The college was inaugurated on the 28th January, 2016 by Honourable Chief Minister Smt. Mamata Banerjee. The College has been affiliated to the University of Calcutta. The inauguration inevitably marked the beginning of a journey towards achieving academic excellence for women. Presently, the college offers Honours Course in Arts, Science and Commerce streams. Faculties of all sixteen departments put untiring efforts to provide quality academic guidance to all students and work towards their overall developments.
