

## ANNUAL ATHLETIC MEET, 2017: A BRIEF REVIEW

The Annual Sports Meet of our college was held on 19<sup>th</sup> December, 2017. This was the second sports meet organised by the Athletic Committee of the college. Unlike that in 2016, this year, the athletic meet was arranged within college premises only. There is a well-maintained lawn type vacant space just in front of the main building of the college. This year the athletic committee made necessary arrangements so as to utilize that space for the purpose of the collegesports. Keeping in mind the overwhelming response from the students in last year athletic meet, this year the committee selected the events with utmost care. While some of the events of previous year were kept unchanged some new events were introduced this year so as to encourage extracurricular activities of the students. Events were arranged not only for students but also for faculty members, non-teaching staffs and also children(wards of faculty members)so that the meet can be a source of entertainment and recreation to every individual related to our institution. For convenience pre-sports selection and then the ultimate competition between the selected contestants were organised on the same day. Due to efforts of the members of Athletic committee and also that of extensive co-operation from other faculty members, the college was successful in arranging a successful sports meet witnessing a remarkable response from students.

As per schedule, the annual athletic meet started with a welcoming note from the Athletic Committee's Co-Convener Dr. Koel Adhikary followed by inauguration by our honourable Officer-in-Charge. After her inaugural speech followed by lighting the lamp, flag hoisting, National Anthem and oath taking by the students, the gaming events started.
