

4th PLANTATION PROGRAM (BRIKSHAROPAN UTSAV)

The College received one hundred saplings under the **Sukanya Scheme** of Government of West Bengal through Kolkata Police on 8th August, 2019. Those saplings were chiefly of tree types like *Kadam*, *Blackberry*, *Sweetneem* etc. All the teachers and staff members were delighted to receive these. The Kolkata Police ritually planted few sample saplings in the college premises on the same day.

The Maintenance and Campus Beautification and Gardening subcommittee took the initiative with other faculty members, staff and students to plant the remaining saplings around the college campus on 10th of August, 2019. All the saplings were decorated with colourful ribbons. The first sapling was planted and watered by the Officer-in-Charge. All the college members who were present on the day enjoyed and participated enthusiastically.
